

Exciting Playground Developments

We've made some exciting new developments to our outdoor learning environment

For mark making, art and imaginative play, we have installed a Giant Mirror and Paint Panel. These excellent resources will inspire the children to express themselves through art and role play.

We can now take story time outdoors with our magical Storytelling Area. Children can relax away in their new Wigwam Den or sit on our new Artificial Grass Topped Seats listening to a story.

Finally, we have had a lovely Sand Table, Water Table and Easel Table installed to create an exciting messy play environment.

We worked with Pentagon Play on this project and we highly recommend them to any school looking to develop their outdoor area.
